A Time—August 1966—when the years of planning, working, dreaming of the educators and parents of Haywood County became a reality in Tuscola High School.

To the more than a thousand students, administrators, and teachers, Tuscola is truly a beautiful garden—a garden of golden opportunities.

SENIOR CLASS

Being the first graduating class of Tuscola Senior High School, we would like to take this opportunity to thank the many people who have made our graduation possible. Our parents, teachers, and principals have helped us through moments of disappointment and defeat as well as moments of joy and success.. Because of their discipline and guidance, we have reached the first plateau of success.

As a result of consolidation, we have broadened our circle of friends. We have been exposed to a broader curriculum, methods of better teaching, extensive equipment with which to work, and through club work we have learned to lead as well as follow. These opportunities have broaden our outlook on life and aided in preparing us for our future roles.

We hope that we have set traditions that the future graduating classes will strive to continue.

JUNIOR CLASS

As we JUNIORS look forward with anticipation to our senior year, we also spend some time in retrospect . . . . . with nostalgia as we think of the last eleven years . . . . . with mixed emotions . . . . . and many memories. Sad memories and happy ones—mostly happy.

Our lives have been changed by the consolidation of the Haywood County schools; yet, they have been improved. Many opportunities heretofore denied us have been given to us, opportunities that present real challenges.

In our last months at Tuscola Senior High we shall strive to merit the faith the citizens of our communities have in us and strive onward, upward to obtain the heights to which we aspire.

Now, we introduce the 1968 SENIORS, ambitious, qualified, and determined:

SOPHOMORE CLASS

August 1966 brought sophomores to a new mountaintop experience which included an extensive course of study, extra curricular activities, and a host of new friends.

After becoming acquainted with new courses, teachers, methods, and new friends, these sophomores elected four excellent officers to lead them in the activities of the year ahead. They also found outlets for individual interests in the various clubs and sports available to them.

After a year in which their "cup runneth over," they will move into that sphere known only to upper classmen leaving their places to another sophomore class and another school year.

SENIORS:

We, the faculty, congratulate you upon reaching the achievement of graduation from high school. We have enjoyed having you here at the new Tuscola High School this year, and we wish for you success and happiness in the years ahead.

With love and pride, with bright hopes and best wishes, your school sends you forth into a world calling for increasing numbers of men and women of ability, zeal and character, who are ready to spend and be spent in the service of God and humanity. Work hard, be loyal to God and man, and success will surely be yours.

"The highest of distinctions is service to others."

Time to express our appreciation to these wonderful people. Their long hours of work and untiring dedication have contributed much to our comforts and have made each school day a brighter experience.

CUSTODIANS

Mrs. Jewell Gillett

Mr. Vinson Smith

Mr. Tommy Hightower

The high school classroom offers stimulation and encouragement for students who have a specialized interest in a particular field, and so many of our extra-curricular activities grow out of classroom experiences.

There are many awards made for outstanding achievements and contributions in special fields; some of our clubs provide such awards to participating students.

For those students who are interested in service, membership in the appropriate club offers an opportunity to each.

Most of our organizations meet each month, and during the year the members get to know each other better through mutual interests. These activities offer the individual an opportunity not only to gain valuable information and experience but to make the contributions of which he is capable.

The Tuscola Senior High School Chapter of the National Honor Society received its charter on January 6, 1967. Members are chosen because they have the qualities the National Honor Society tries to instill in the other students. The purposes are to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American secondary schools.

During the year leading educators have spoken to the chapter. Members have sold "Tuscola High Mountaineer" car stickers and sponsored a "Sock Hop" to raise money to help buy furniture for the student lounge.

STUDENT COUNCIL

Mrs. Katherine Kirkpatrick and Mrs. Frances Donnahoe, Advisors.

The purpose of the Student Council is to promote the ideals of democracy in a school system. It is composed of members from each homeroom who are representatives of the student body. Officers are elected by the entire student body by ballot after a wholesome and democratic campaign.

The present Student Council has spent much time and effort in laying the foundation for an active and profitable Council. The students and teachers feel that this activeness provides the foundation for strong future citizens.

The Sub-Deb Club is composed of girls from the Junior and Senior Class who are chosen on the basis of scholastic ability, personality, and appearance. It is a service club, and throughout the school term the club sponsors various projects which help to beautify or benefit the school in some way. Meetings are held monthly, and programs are given pertaining to the purpose of the club, preparing young ladies for their positions in society. The club colors are red and blue, and the motto is "Good, better, best, and never let it rest until your good is better and your better is best."

The Health Careers Club is open to any student interested in the field of health. Information is available on almost every career in the medical field. The purpose of the club is to provide information to students and encourage them to enter some phase of the health program. Each month we have one or more authorative persons who speak to us on his particular career in the medical field. Occasionally we take informative tours of our local health facilities. Eleven of our members attended the district congress held in Asheville in October; six delegates and two adults attended the State Congress and State Health Fair at Goldsboro in March.

Arlene Kaufman, Treasurer; Ann Ratcliff, Reporter; Bill Merrill, President-elect; Pam Daniel, President.

Tip Hargrove, President; Tommy Ferguson, Vice-President; David Wyatt, Secretary; Mr. Harding and Mr. Royal, Advisors.

The Key Club of Tuscola High School is sponsored by the Kiwanis Club of Waynesville. Forty five sophomore, junior, and senior boys make up the charter membership of the organization. Key Club is a service club dedicated to its motto, "We Build." To be eligible for membership, a boy must have a 3.00 scholastic average as well as being of good character. The Kiwanis advisor of Key Club is Mr. Ben Harding, president of the Northwestern Bank; the faculty advisor is Mr. Jim Royal, teacher in the Tuscola science department. It is our sincere desire that we can live up to our motto by bettering our school, our community, and building character in ourselves.

FUTURE FARMERS OF AMERICA

The Future Farmers of America is a part of the over all agriculture program in high school. Some of the aims and purposes are: To develop competent, aggressive and rural leadership. To create a love of the country life. To develop character, citizenship, and foster patriotism. To encourage improvement in scholarship. To develop organized rural recreational activities. The F.F.A. Motto is: Learning to do, Doing to learn, Earning to live, Living to serve. F.F.A. members can take part in many activities during the school year and also during the summer. Some of our activities are: Land judging, Tool identification, F.F.A. Camp, Father and son banquet, Livestock judging, Dairy judging, Public speaking, and Parliamentary procedure. These activities are in addition to our regular class work. Most of the time devoted to these activities is on the boys own time. A boy who studies agriculture must have facilities for a supervised project.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America Club is a national organization designed to focus attention upon the importance of selecting, preparing, and retaining the best possible teachers for America's schools and colleges. The club gives young men and women an opportunity to prepare themselves for future careers and to understand the fundamentals of teaching.

This year the Tuscola F.T.A. Club, sponsored by the Social Studies Department, has been very active in school functions. A United States flag, ordered by Representative Roy A. Taylor and flown over the Capitol, was paid for and donated by the F.T.A. The organization is open for those interested in teaching as a profession. Both students and sponsors find the experiences rewarding and worthwhile.

Kathy Price, President; Libba Morgan, Vice-President; Joyce Smith, Secretary; Bill Merrill, Treasurer; Caron Ferguson and Bill Burris, Parliamentarians, and Janice Hall, Historian.

SCIENCE SEMINAR

The Science Seminar is a county wide group of science oriented students. The purpose of this organization is to promote and encourage the scientific interests of these students.

Weekly meetings are held, and the programs are given by well-known authorities in different fields of science. These programs provide an advanced learning experience beyond the classroom in the different schools.

The membership is drawn from the talented students who placed the highest on a science aptitude test. To remain a member in good standing, a grade average of 3.5 must be made. Many opportunities are available for these students in the area of travel and fieldtrips. One fieldtrip is taken in the summer which generally lasts from ten to fourteen days and encompasses many places of interest.

Journalism is one of the new courses offered at Tuscola this year. The forty-four students in the classes have found the course both interesting and beneficial.

We have learned to write in concise style, to read for meaning, to recognize and to appreciate many types of journalism.

Too, we have learned that "news" is everwhere . . . that "the pen is mightier that the sword" . . . and, "that nothing succeeds like success."

Attesting to the success of the combined efforts of each "journalist", is THE TUSCOLA TIMES.

Head Coach Cliffe Brookshire and Co-Captains Dale Henry and Ronnie Glavish

Under the guidance of Head Coach, Cliffe Brookshire, a young and newly formed group of boys jelled into a fast, hard-hitting football team which any school would be proud of. With a fast, hard-running back field, a big, mean line, and a defense to rival any, the mighty TUSCOLA MOUNTAINEERS gave Coach Brookshire and his able coaching staff a fine 5 - 4 season. The icing on the cake coming with the last game of the season with undefeated Sylva Webster, a close hard fought game the Mountaineers coming out on top 20 to 19.

The students of Tuscola High School salute Coach Brookshire and his staff for a fine winning season.
